

STATE ISLAMIC UNIVERSITY Sultan Maulana Hasanuddin **BANTEN**

VISION, MISSION & OBJECTIVE

VISSION

Become a superior study program in the field of Sharia Economics at national level by 2025.

MISSION

1. Organizing education and lessons in the field of sharia economics to produce human resources that suit global market needs.
2. Carrying out research in the field of sharia economics that is innovative and integrative.
3. Carrying out community service based on Islamic economic scientific research.

OBJECTIVE

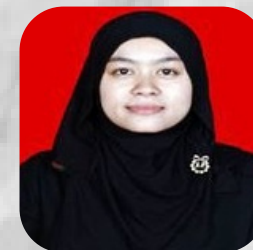

1. Preparing prospective graduates to become members of society who have professional academic abilities in the field of sharia economics.
2. Develop and disseminate and seek experience of sharia values, especially in the field of sharia economics.
3. Formation of a strong and synergistic network with various parties in the context of scientific development.
